

**MITIGATION/MANAGEMENT**(4.19.05 group discussion-NOT A CONSENSUS  
PRODUCT)

(Dalton, Dolman, Gill, Jasny, Ketten, Kodis, Leathery, Metcalf, Reeve, Rose, Tackett,  
Wilson, Worcester)

- evaluate the effectiveness of mitigation and management strategies
- incorporate new information
- prioritize management on activities with greatest risk
- base management on risk assessment
- risk assessment to use best available science
- consider cumulative and synergistic impacts
